

Dear Student,

Welcome to Crescendo Summer Institute!

You have applied for a tuition fee discount. CSI can offer you a maximum of 40 per cent discount of your participation fee, therefore we encourage you to look for further support as well. Please find some ideas below:

1. Organize a **charity concert** in your home, in the home of a friend, in a church...
2. Approach **cultural foundations** supporting young talents (e.g. Rotary Club, Lions Club).
3. Approach **business people** and **companies**, offering them a musical „thank you“ contribution in one of their events – maybe at their next Christmas reception.
4. Approach the **local government**, mayor's office of your home town, **cultural department** of your county / country. Look for **grants**.
5. Approach your **church**, if you are a church member.

Apart from the above possibilities, let us remind you that you may get further discount by being an ambassador for CSI. You'll get 10 per cent refund of your tuition fee for each new student* who refer to you as their ambassador. Payment will be made at CSI.

** A new student is someone who has not been to CSI before. Please remind the new student to put your name in their myCSI application form. Please find further details on our [website](#).*

PLEASE NOTE:

In order to be eligible for a tuition fee discount, the Feedback at the end of this letter has to be filled out and uploaded on the Files page of your myCSI account.

If you submit your application after 29 April or upload your feedback after 29 April, you will not be eligible for a tuition fee discount.

Please fill out the feedback form on the next page of this email.

With kind regards,
the Crescendo Summer Institute team
