

Dear Student,

Welcome to Crescendo Summer Institute!

You have applied for scholarship or social discount, however, due to the limited availability of our financial resources we might not be able to give you the help you need.

This year we would like to introduce matching funds. This means the amount of support you'll be able to raise, at least the same amount of discount will be offered by CSI, i.e. your support will be doubled at least.*

** The amount of matching funds offered by CSI may not exceed 50 per cent of the participation fee. Please note that supports offered by family will not be taken into consideration for matching funds. You'll need to send us the official proof of sponsorship.*

Even if you have not been able to receive any support despite all your efforts, upload your Scholarship Letter to myCSI and send us your letters and messages proving your efforts, and we will consider your request and equity on whether we can support you.

If you decide not to apply for other supports, you may ask for a maximum of 30 or 50 per cent scholarship of your participation fee. (Max. 30% if you are under 18, max. 50% from the age of 18.)

Please find below some suggestions for raising own funds:

1. Organize a charity concert in your home, in the home of a friend, in a church...
2. Approach cultural foundations supporting young talents (e.g. Rotary Club, Lions Club).
3. Approach business people and companies, offering them a musical „thank you“ contribution in one of their events – maybe at their next Christmas reception.
4. Approach the local government, mayor's office of your home town, cultural department of your county / country. Look for grants.
5. Approach your church, if you are a church member.

Apart from the above possibilities, let us remind you that there is a post-supporting possibility by becoming an ambassador of CSI. You'll get 10 per cent refund of your tuition fee for each new student who refer to you as their ambassador in myCSI. (A new student is someone who has not been to CSI before. Refund will be given during CSI.) Please see the details on our [website](#).

PLEASE NOTE:

In order to be eligible for scholarship, the Feedback at the end of this letter has to be filled out and uploaded on the Files page of your myCSI account.

Please be advised that if you do not upload the feedback latest by 2 June, although your application may be accepted, you will not be eligible for scholarship.

Your scholarship request will be processed only after having received your feedback.

Please fill out the feedback form on the next page of this email.

We wish you much success!

With kind regards,
the Crescendo Summer Institute team
