SUMMER INSTITUTE

In 2023 the **Crescendo Summer Institute and Festival (CSI)** will take place for the 19th time in Hungary. This international classical music masterclass offers applicants a wide range of courses, such as **solo instruments, chamber music, symphony orchestra, voice, opera and baroque**. Furthermore, numerous **concerts** will be held to provide applicants with performing opportunities.

Faculty members come from all over the world. They are world-renowned soloists and musicians in outstanding orchestras and professors at music academies.

CSI provides a **non-competitive** and **friendly** environment, where evening talks and professional mentors support students in finding their path in their lives as musicians with **self-confidence** and **balance**.
